Power To End Stroke is an exciting national campaign that raises awareness about stroke – while embracing and celebrating the culture, creativity and energy of African Americans.

- Yes! I want to take the Power Pledge to live healthier and join the movement to prevent and overcome stroke. I'd like to learn more about stroke and related subjects.
- Yes! I want to help save lives in my community by providing leadership, educating and mobilizing African Americans to reduce their risk of stroke.

Go Red For Women is the American Heart Association's nationwide movement that celebrates the energy, passion and power we have as women to band together and wipe out heart disease, the number one killer of women.

- Yes! I want to join **Go Red For Women** to receive lifesaving information and to receive a red dress pin

Please add me to the **Go Red For Women** email list to receive monthly e-newsletters

Start! is the American Heart Association's national campaign that calls on all Americans and their employers to create a culture of health and physical activity to live longer, heart-healthy lives.

- Please have someone contact me to get my organization involved in **Start!**

You're the Cure

www.americanheart.org/yourethecure

Advocacy is a Cure. You're the Cure is the American Heart Association's nationwide network of people advocating for public policies that help to fight heart disease and stroke. Some of our successes include increased funding for medical research, smoke-free indoor air laws, and more widespread access to automated external defibrillators.

Yes! I would like to join the You're the Cure today and start making a difference! Yes No
